

Has anyone ever tried to **control** what you do through violence, **threats of violence, humiliation, or intimidation**?

Have you had to do things you didn't want to do because people made you feel too **scared** not to?

Have you been **forced** or intimidated to do work by someone who refuses to pay you?

THIS COULD BE **EXPLOITATION.**

Anyone could be targeted by people who exploit them and agencies across Cheshire **want to put a stop to this.**

Whether you have directly experienced exploitation, or not, we want to understand what everyone living or working in Cheshire knows and thinks about exploitation.

This will help us to improve how we support our communities to be resilient against these crimes.

If you have experienced exploitation there is also an opportunity to tell us about what help you would have found helpful.
