

Lunch & learn session

'A survivors honest story of childhood sexual abuse'.

From the grooming and abuse to the warning signs, psychological impact and changes in behaviour. A rare opportunity to hear an abuse story first hand, and to learn how you could potentially spot the signs and engage with a young person who has experienced or is experiencing sexual abuse. No questions are off-limits, Laura is able to talk openly and is keen for her experience to help educate others.

24th January 2024 12:00-13:00

Venue: Teams delivery
