Mersey Care 2026-31: Patient and public engagement sessions - 2026

• **Strategy and Partnerships Team**

Our vision

To lead the way in perfect, whole person care that helps people of all ages live healthier lives

Across Merseyside, we provide:

**Community Health
Services**

**Learning Disability
Services**

**Mental Health
Services**

Our Services

Mental Health Care

Dependent on where you live, we provide mental health services to help people of all ages at home, in your neighborhood, virtually or if needed in a hospital.

Community Health and Learning Disability Services

Our teams help people at home and locally in their community. For example, Walk in Centres, Community nursing, physiotherapy and speech and language.

Wider Support

We also provide some other non-clinical services such as employment support and training.

**We are reviewing our plans
for the future and would
like to hear your thoughts**

Discussion

?

If you could make one big change for mental health services what would it be?

?

If you could make one big change for community health services what would it be?

?

How should Mersey Care work differently with local partners in the future?

?

What changes would make the biggest difference for people who are currently least heard?

Session feedback.....

Any ideas for improvement?

Thank you
